

Employers – How can you help?

It is important that pupils have access to the 'world of work' and with your help we can make that happen. We want pupils in all year groups to understand the 'world of work' through employer engagement so that our young people will successfully transition out of secondary school life ready, equipped for work and life-long learning. As an employer you can play a significant part in helping us achieve our goal.

If you are interested in providing an experience in the 'world of work', please select an option by ticking (✓) the relevant column or specifying an alternative. Please ensure to provide your contact details and hand this form in at the sign-in desk in Reception. A member of staff will contact you regarding your offer.
