- **External 10 hr Exam**

Develop your final / best outcome.

Evaluate and present your portfolio of work

- **Create your Final outcome/s. Evaluate how it success how well it connects and compares to the work of others.**

Assessment: There are interim reports termly. Work will be teacher, pupil and peer assessed as it develops. Teacher feedback will be given verbally and in the form of a temperature check, which will highlight strengths and targets for improvement. Pupil work will be assessed on completion using the four GCSE assessment criteria and they will need to act on all feedback and targets as well as explain what they have done to improve their work. Work is internally assessed and moderated and externally moderated by AQA.

Homework: This is set weekly and is designed to challenge and help pupils prepare for lessons, mock exams, project deadlines, and external exams.
