Year 11 Citizenship

Curriculum Manager: Mrs J Senior **KS4 Subject Lead:** Mr D Gallagher

Teaching Staff: Mr D Gallagher

Curriculum Overview: GCSE Citizenship is a unique subject that supports pupils in developing knowledge and application of British Values; understanding of democracy; its development and importance; the processes, development and application of law and justice; the practice of active citizenship in activism; community action and local politics. It empowers young people to take responsibility as a local, national and international citizen

Y11 Term 1 - Course Content:

Power and Influence

Key questions explored:

- What power and influence can citizens have?
- What role and influence should the media have?
- Does the UK have power and influence in the wider world?

Y11 Term 2 - Course Content:

Citizenship Action

Students must carry out an in-depth, critical investigation leading to citizenship action. The investigation and action can be based on any aspect or issue arising from the course content and should be designed to have an impact locally, nationally or globally.

Y11 Term 3 - Course Content:

Revision, review and presentation of Citizenship Action

Assessment Overview: GCSE Citizenship is assessed by 2 written examinations at the end of Year 11. Paper 1 and Paper 2 are both written examinations of 1 hour and 45 minutes, 80 marks each and each equates to 50% of the overall course.

Homework and Revision Guidance: Homework will be set once per week via SMHW or similar platform. These tasks will involve a range of activities to promote pupils' development of retrieval skills, independent research skills and exam practice to extend and deepen lesson learning. This will include support through remote learning such as podcasts and live stream revision sessions. After school revision sessions will be offered to all pupils alongside whole school revision using both face-to-face and remote delivery and individual intervention timetables.

Learning and Career Pathways: This qualification lends itself to progression into a range of careers such as:
