Chief Executive: Mr Tarun Kapur CBE  
Executive Headteacher: Mr Andrew Shakos  
Headteacher: Mr Lee McConaghie

Dear Parents / Carers,

On Monday June 21<sup>st</sup> the Year 10 end of year examination series will begin. The aim of the examinations is to see how your son/daughter has progressed over the year whilst they will also give teachers an insight into any areas within the curriculum that may have to be revisited due to Covid. At the moment it is highly likely GCSE examinations will take place the summer of 2022. This series will be invaluable practice to support pupils with their revision and examination skills.

To support pupils, starting on Tuesday 8<sup>th</sup> June, we would like to offer Year 10 pupils the opportunity to attend after school revision sessions for a range of subjects throughout the week. These sessions will support preparation for their upcoming examinations and will also offer pupils additional support in completing key elements of controlled assessment. These will take place between 3- 4pm. In addition, subjects will be setting revision tasks through Satchel (SMHW) to support pupils with their revision.

Pupils are not expected to attend every session. However, pupils should use the timetable above to plan their week sensibly, including time for other interests and activities to ensure their well-being is also a priority. Revision techniques and examples of revision timetables will be shared on Satchel (or are available on the school website) and pupils will have also covered revision skills within form time.

There will be many other additional learning and assessment opportunities throughout the summer as we strive to ensure that no pupil is disadvantaged. We will, of course, continue to keep parents, carers and pupils fully informed of such opportunities.

Kind regards,

**Mr R Worsfold**

**Assistant Headteacher**
